Dedication

This year's annual is dedicated to Mrs. Cheryl Watts, who graduated from Hall High School in 1964. Having previously earned her degree in General Science at the University of Arkansas and a degree in Counseling at UALR, she presently teaches classes in seventh grade Science. Since 1977, she has been the guidance counselor and is in charge of scheduling all classes and testing all new students. As sponsor of the senior student council, she is very supportive of all student-sponsored events.

Since coming to Pulaski Academy in 1976, Mrs. Watts has become a friend to all students. Her smiling face and words of encouragement inspire all who come in contact with her. She is always willing to lend an ear or give a piece of advice. We are very proud to dedicate this book to our teacher and friend, Mrs. Watts.

BIG BROTHER BIG SISTER

A Little Love

T H E R ' S N O P L A C E L I K E P. A.

The way to know P.A. is in what the students say:

"The people are excellent. School spirit is fantastic."

"The closeness between teachers and students is unbeatable."

"The standards of education are challenging."

"Life long friendships are built at P.A."

"It's the best school in the state. I wouldn't go anywhere else."

Teachers also say the reasons why they stay: "I feel safe. I think what I teach is being listened to."

"This is how a school should be. The students want to learn and the teachers want to teach."

"The kids are great. I wouldn't teach anywhere else. There's no place like P.A."

LIFE AT P.A.

This was the year that: Mrs. Watts found an opossum on her desk; the cheerleaders rolled Mr. Cheska's office for Homecoming; Freddy Perkins wore a pink shirt; Mrs. Cordon received a "Scarlet Letter" doll on Halloween; the Bruins put Joe T. and Oak Grove in their places; and there was a demolition derby in the upper parking lot with Belinda Dooley and Scott Stockburger.

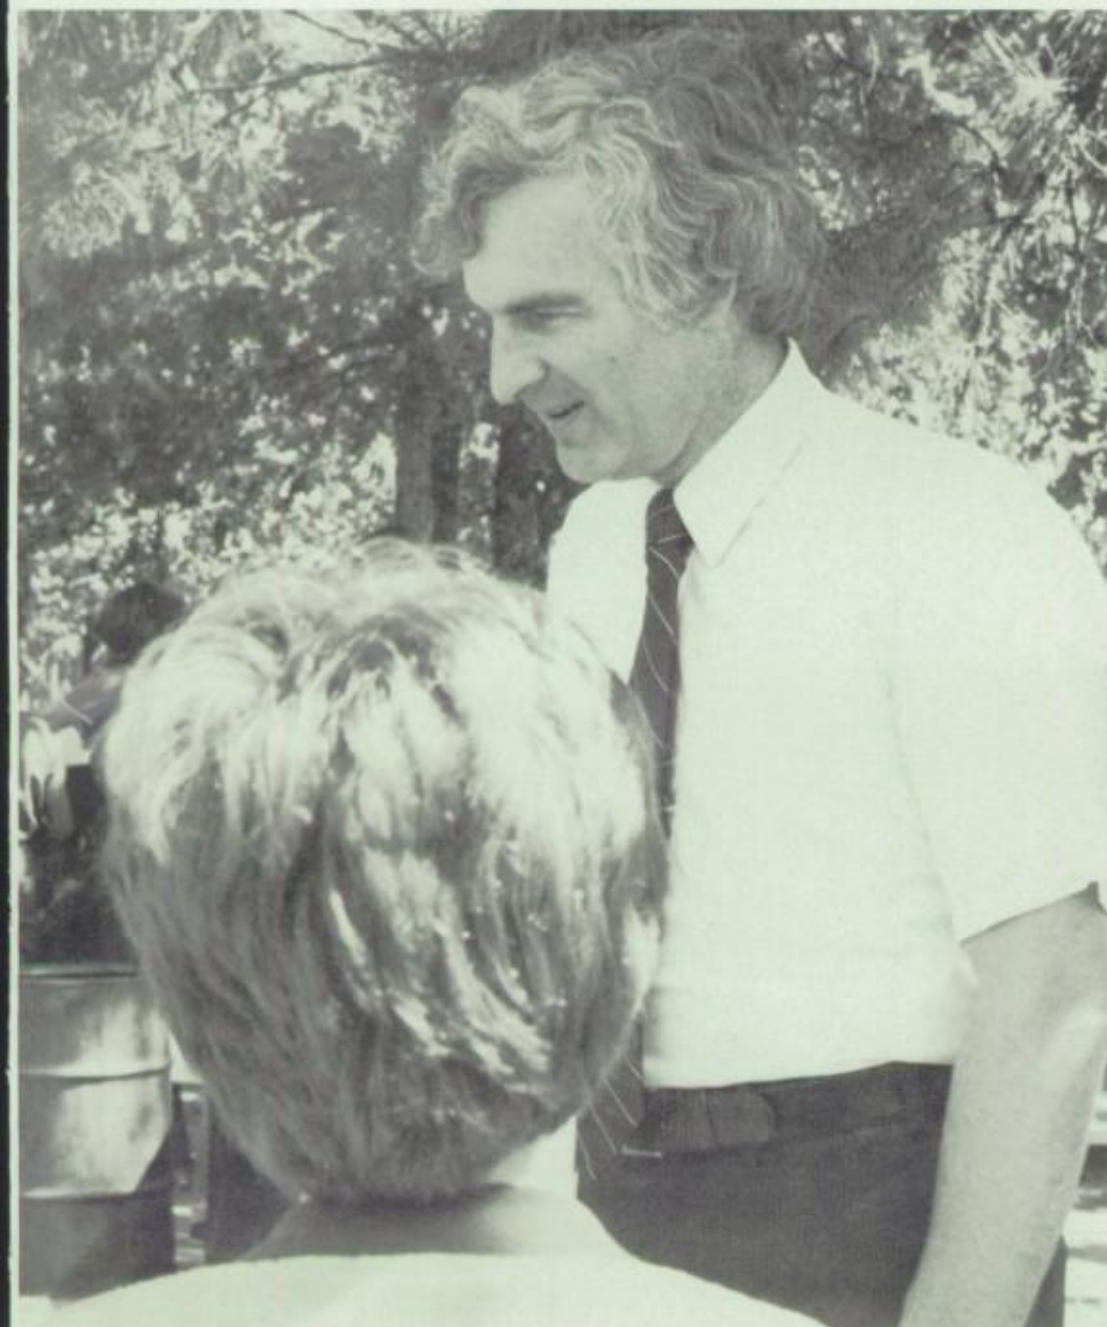

SOMETHING OLD

Each year, Pulaski Academy Alumni enjoy returning to the school for Homecoming. Before the game, the FBLA sponsors an annual reception, which gives the alumni a chance to see old friends and teachers. In 1980, the reception was held on October 3, in the upper library. Cindy Shaw was in charge of the event. Over half of the former students attended.

SOMETHING NEW

Pulaski Academy has a new headmaster this year, Mr. John Cheska. He came on July 1, 1980 with a B.A. degree from Amherst College and a M.A. degree from U. of Massachusetts. His involvement in the school and student body has been a great success. Several of his achievements include field day, lengthened time for seniors' lunch, vans for field trips, and student appreciation day.

In mid-May of 1980, the Pulaski Academy Backers launched a fund raising campaign to increase the seating capacity in our stadium. By August, they had raised enough money to double the seating. The new addition was dedicated on October 24.

NEW HEADMASTER

Our new headmaster, Mr. John Cheska, arrived at Pulaski Academy on July 1, 1980. Mr. Cheska came to us after spending two years as headmaster at the American Academy in the American Community schools of Athens, Greece. As the headmaster, Mr. Cheska is concerned with providing each student with the highest quality education available. To achieve a quality program, he believes one must start with a quality staff, increase supplies to classrooms, provide more opportunities for teachers to relate what goes on in the classroom to the community, and develop intramural activities with total school involvement. In relation to the students, Mr. Cheska wants P.A. to provide needed skills that can be polished in higher education, to broaden horizons through enrichment programs so that students may understand other cultures, and to promote their abilities so that they may be of service to their community.

In talking about the future, Mr. Cheska said that the land is being used to its full potential here. "Now," he said referring to a quote by President Johnson, "the frontier is developing the potential in each other. Each one of us has unique abilities so we all have the opportunity to be successful."

The 1981 seniors led the Bruin football team to another successful season. The team, led by Coach Ferriter and Coach Hornaday, turned in the best record ever achieved by a Bruin team. The 9-2 record included a six-game winning streak and a first-time ever win over Class AA Oak Grove. The Bruins started their 2nd consecutive conference championship season with a win over Bauxite 20-0. For the second year in a row, the Bruins made it to the State Playoffs. Both games lost, to Mount Ida in the State Playoffs and Hazen, were by 1 point. The big game of the season between P.A. and Class AA Champion Joe T. Robinson was played on Halloween night. The Bruins once again came out victorious, 22-16. The football team elected Phil Pate, Scott Whitehurst, and Greg Smith as captains.

The Junior Bruins, led by Coach Aylett, started the season strong but ended with a 4-4 record. Injuries marred the end of the season. The Junior Bruins began their season with a 20-0 victory over Newark. After a Jefferson forfeit, the Bruins beat Mayflower 14-0. The Bruins lost the Homecoming game in a come-from-behind victory for Hazen 8-12. Coach Aylett is optimistic and expects a good group of seventh and eighth graders to return next year.

The eighth grade maids were Tina Cazort and Amy Ricks. The seventh grade maids were Sheri Caveness and Connie McKnight. In the game, Kevin Gillian scored first for the Bruins late in the second quarter on a 1 yard run. Hazen ran back the ensuing kickoff to cut the lead to 8-6, going in to the half. Hazen scored again in the third quarter and held on to win 12-8.

IN MEMORY

AMBRE ASHLEY ALSTADT

1969 — 1980

*You were with us just a short time.
Some of us knew you well;
Some of us didn't know you at all.
But you were a part of our school, and
Therefore you belonged to all of us.
Now you aren't here and we miss you.
But we remember you,
And in this way you are not gone at all.*

Poem used with permission of the author, copyright 1980.

YOUNG BRUINS MAKE TRACKS

INTO A NEW DECADE

P.E. CLASSES

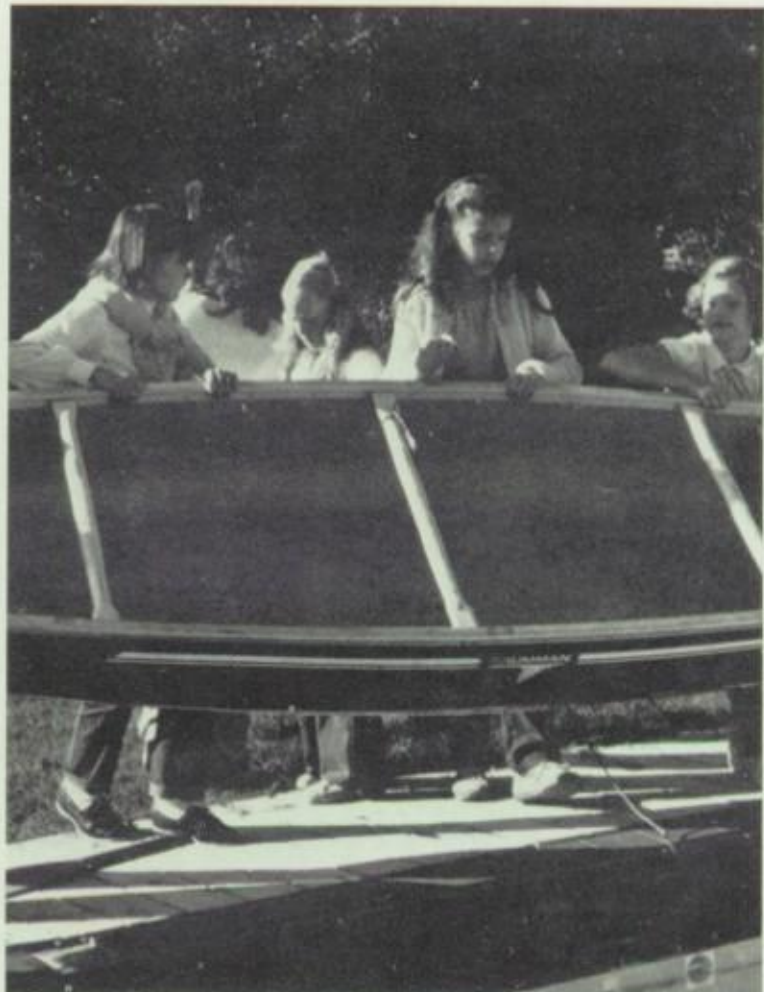

One of the physical education activities this year was a new canoeing program. Fifth and sixth graders participated in a learning program at the Westside YMCA. Canoes were donated by a friend of the school. A canoeing field trip has been planned for this spring.

HALLOWEEN PARADE

Halloween is a big day for students in K-6. Children bring their costumes to school and parade through the halls. They return to their rooms for games and treats.

GOOD TIMES

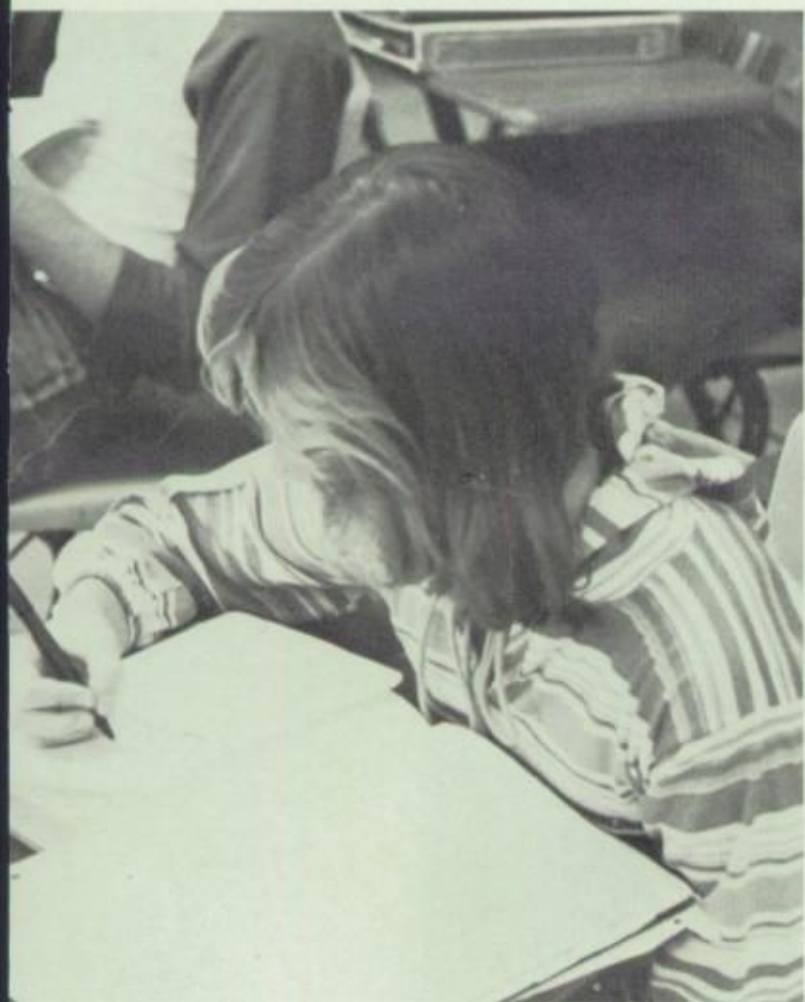

Lower School students have stayed busy this year with many exciting activities. Some of these include Farm day, the Halloween Parade, the Super-Bruin program, the Pet show, the Big Brother — Big Sister program, and many field trips throughout the city. The elementary participation in these and other programs has been outstanding. We thank Mr. Parrish and the Lower School teachers for their hard work in making the elementary program a successful part of our school.

In closing, I want to give sincere thanks to everyone who helped put this yearbook together, especially our advisors who have had so much dedication, patience, and understanding. I also want to thank those who contributed financially to our yearbook. I think we have overcome several obstacles to produce this year's yearbook, but the hard work has produced something of pride. This year's motto for our annual was "Be A Pro." We have progressed more this year than before, and I truly believe that we are "pros" in our own way. Our purpose this year was to set a foundation for better yearbooks at Pulaski Academy. If experience really is the best teacher, then future yearbooks at this school are going to be great.

Thanks again to those who helped us. Goodbye and Good Luck to everybody next year.

1980: THE

News. The year started on a solemn note while Americans in Iran were held hostage. Tension grew when six Americans were smuggled home by the Canadian consul. The registration was reinacted and plenty of demonstrators came also. Six congressmen were charged in the Abscam scandal. Many situations in the world were paralleled by the wars between Pepsi and Coke, and the *Gazette* and the *Democrat*. All four claimed to be on top. Both Iran and Iraq claimed to be winners of their war, and both the United States and Russia claimed to have superior arms. Voyager I sent back amazing pictures of our neighboring planets while Mount St. Helens blew its top, several times. Interest rates soared as Ronald Reagan rode the "Tide of discontent" to a landslide victory over President Carter. Republicans gained control of the Senate. Many say these victories were due to a religious awakening. A devastating earthquake rocked Italy for four hours. George Meany, the powerful AFL-CIO leader who fought with every president since F.D.R. died, as did Colonel Sanders who was responsible for the success of the "Kentucky Fried

Chicken" food chain.

In a contest that surprised people nationwide, Frank White carried the Democratic strongholds of the state and defeated Governor Bill Clinton. The south was hit by a record setting heat wave as Arkansas suffered through several weeks of over 100° Temperatures. Panic struck Damascus as a Titan II missile blew up and the nuclear warhead was hurled several hundred feet.

Sports. Pittsburg defeated Los Angeles in Super Bowl XIV, and, as if the security of the free world depended on it, the United States hockey team defeated the Soviet Union on the way to a gold medal. Magic Johnson led the Los Angeles Lakers to the NBA Championship while Darrell Griffith led Louisville over UCLA to the NCAA championship. The Philadelphia Phillies won the World Series. Genuine Risk became the first filly to win the Kentucky Derby in sixty-five years. Sugar Ray Leonard and Roberto Duran fought two controversial fights, and Bjorn Borg won a fifth Wimbledon in a classic final match with John McEnroe. As Darryl Dawkins broke backboards, Rosie Ruiz won the Boston Marathon while riding

YEAR IN ...

on a subway, and Muhammad Ali unsuccessfully came back to the ring. Jack Nicklaus came back to win a fourth U.S. Open at Baltusrol.

The Arts. In 1980, Slim Whitman stirred our ears with his musical contributions. New wave music became a best seller as Kenny Rogers made it big with all music fans. The "preppie" look of the 50's was the new style. "Shogun" was a smash but J. R. Ewing was shot. "Mean Joe" and Coke stole the hearts of millions with an award-winning commercial. "The Empire Strikes Back," second movie in the Star Wars saga, was a box office hit as was Bo Derek, who scored a perfect 10.

1981. The festivities of the major College bowl games rang in the New Year. The Georgia Bulldogs beat Notre Dame in the Sugar Bowl to win the NCAA championship. There were sunny skies in Colorado while frozen orange juice was available on the tree in Florida. The fireworks and gala of the presidential inauguration were overshadowed by the release of the American hostages in Iran, who left Teheran minutes after Mr. Reagan was sworn in. As 1981 began, the government announced that 1980 was the

second year in a row for double digit inflation, and the big three auto makers announced losses of nearly four billion dollars. Once again, Philadelphia was in a championship game. This time, the Eagles met the Oakland Raiders in Super Bowl XV. The Raiders won 27-10.

THE HOPE OF TODAY. Overall, 1980 was a very good year. We can see that the good outweighed the bad when we take the time to look back and remember, but the best lies in the future. 1981 has started on a very positive note. The new administration of Ronald Reagan promised an "Era of Renewal" that brings the hope of less bureaucracy, lower inflation, and lower unemployment, and a general upswing in the economy. Memories are a precious thing, and this past year gave us plenty of them. Reflection on the 80-81 school year calls on P.A. students to remember field days, a snowy Thanksgiving, school plays, new friends, and . . . As another Senior Class prepares to walk through the doors of Pulaski Academy for the last time as students, I think it is fitting that we pause and think back over the past year . . . And praise the Lord.
